2. Input Credentials.

a. Client

i. Input Credentials

The screenshot shows a mobile application interface for registering a client account. The screen has a dark blue header with a back arrow and the title 'Register Account'. Below the header, there are several input fields with labels and placeholder text. The fields are: 'Full Name' (John Doe), 'Sex' (Male), 'Full Address' (House), 'Phone Number' (09121231234), 'User Type' (Client), 'Email Address' (john@gmail.com), 'Password' (masked with dots), and 'Re-type Password' (masked with dots). A blue 'Register' button is at the bottom. The status bar at the top shows the time 10:30, a gear icon, and signal/battery indicators. The bottom navigation bar shows standard Android navigation icons.

b. Admin

i. Input Credentials

The screenshot shows a mobile application interface for registering an account. At the top, the status bar displays the time 10:34, a settings gear icon, and signal/battery indicators. Below this is a dark blue header bar with a back arrow and the title 'Register Account'. The form itself is a light yellow rectangle containing several input fields, each with a label and a value: 'Full Name' (Ordonez), 'Sex' (Male with a dropdown arrow), 'Full Address' (House), 'Phone Number' (09787897894), 'User Type' (Admin with a dropdown arrow), 'Email Address' (ordonez@gmail.com), 'Password' (masked with dots and an eye icon), and 'Re-type Password' (masked with dots). A blue 'Register' button is positioned at the bottom of the form. The entire screen is framed by a black Android-style navigation bar at the very bottom.

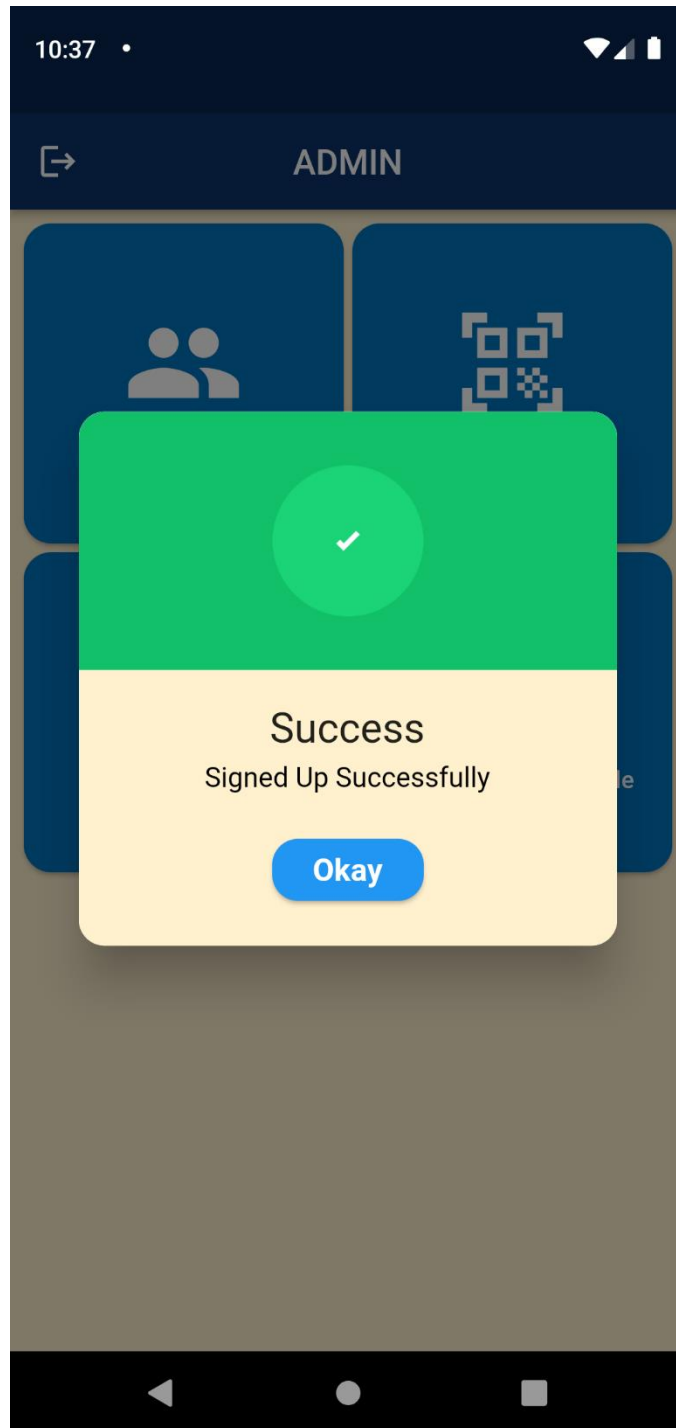

ii. Input PIN: 11182023 (PIN can be change in database)

The screenshot shows a mobile application interface for registering an account. The background form is titled "Register Account" and includes fields for "Full Name" (filled with "Ordonez"), "Sex" (set to "Male"), "Full Address" (filled with "House"), "Phone" (partially filled with "097"), "User" (partially filled with "Ad"), "Email" (filled with "ordonez@gmail.com"), "Password" (filled with "....."), and "Re-type Password" (filled with "....."). A large blue "Register" button is at the bottom. Overlaid on this form is a white dialog box titled "Please Input Verification Pin". Inside the dialog, there is a label "Pin" and a text input field containing ".....". At the bottom of the dialog are two buttons: "Cancel" and "Submit". The top of the screen shows a status bar with the time "10:36" and signal/battery icons. The bottom of the screen shows the Android navigation bar.

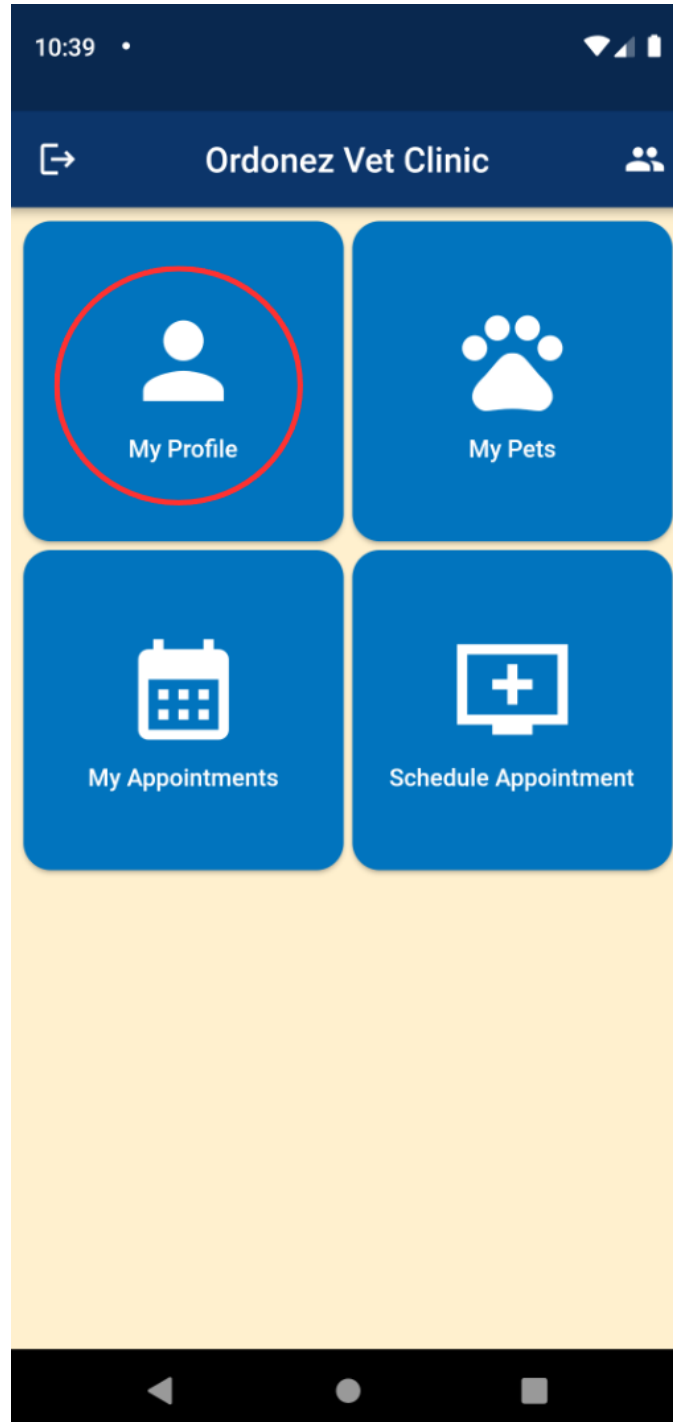

- iii. After Signing up, app will redirect to admin home screen.

VIEW AND EDIT PROFILE FOR CLIENT

VIEW, ADD, EDIT, AND DELETE PETS FOR CLIENTS

1. Navigate to My Pets page

2. Viewing client's pets.

3. Click add button to add pet.

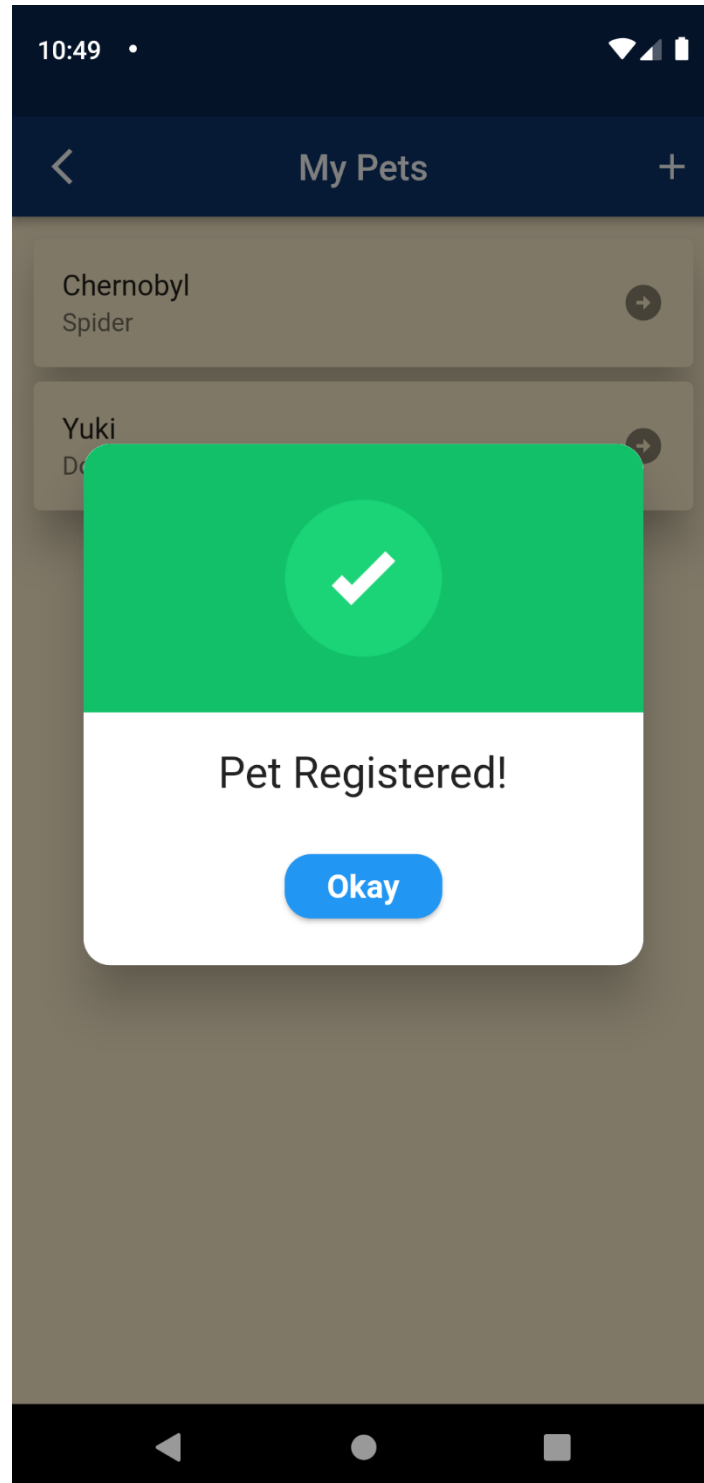

4. Input pet details.

The screenshot shows a mobile application interface. At the top, the status bar displays the time 10:48 and signal/battery icons. Below this is a dark blue header bar with a back arrow, the text "My Pets", and a plus icon. Under the header, there is a card for a pet named "Chernobyl Spider" with a blue information icon. A yellow dialog box titled "Register New Pet" is overlaid on the screen. It contains three input fields: "Pet Name" with the value "Yuki", "Pet Species" with the value "Dog", and "Pet Sex" with the value "Female" and a dropdown arrow. At the bottom of the dialog are two buttons: a red "Cancel" button and a green "Ok" button. The bottom of the screen shows the Android navigation bar with back, home, and recent apps icons.

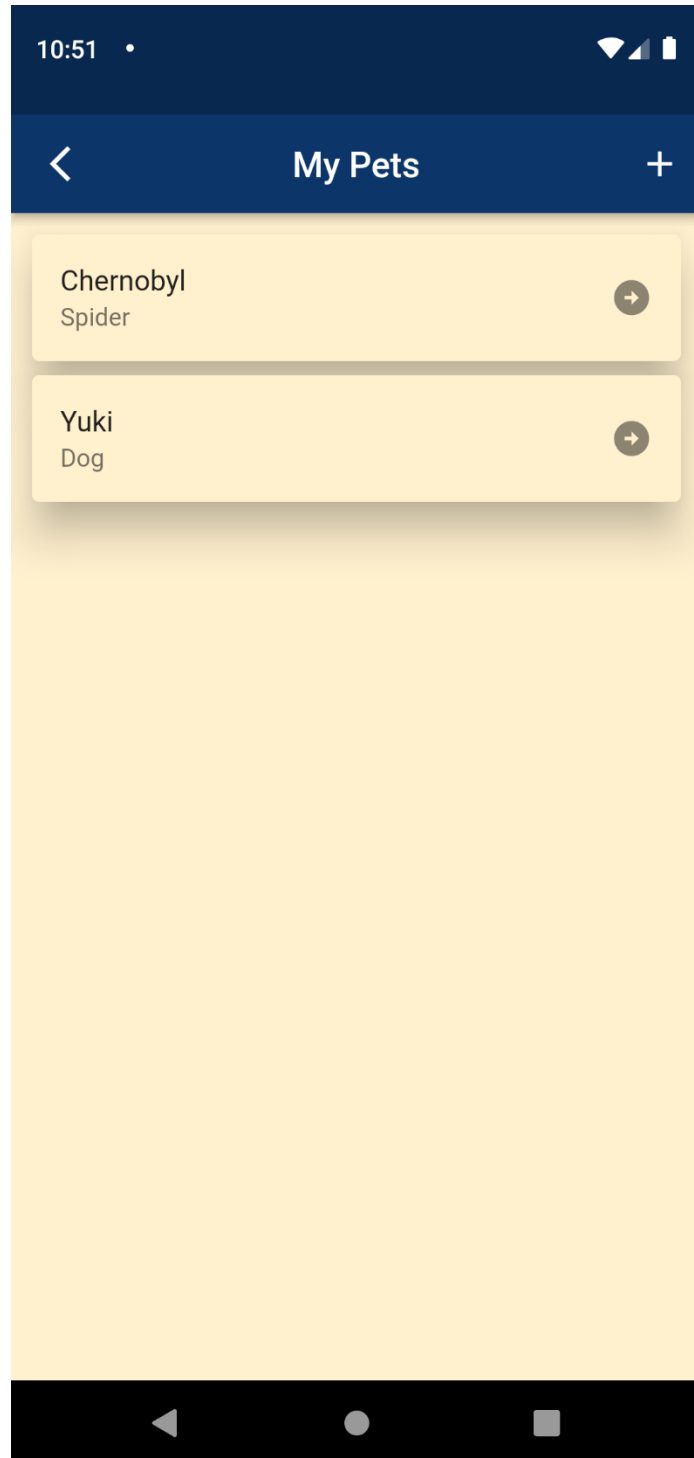

5. Pet added successfully.

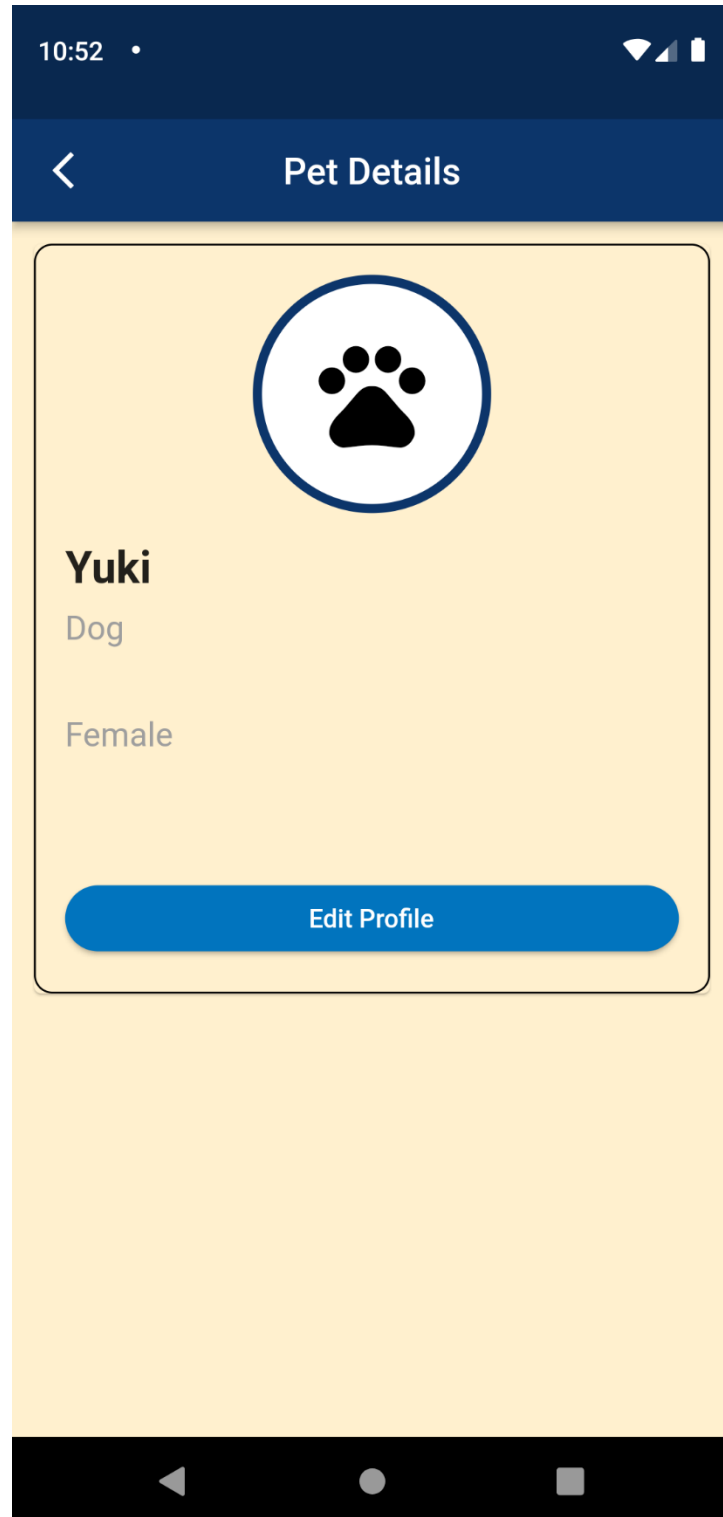

6. Click a pet to view pet details

7. Viewing of pet details.

SCHEDULING NEW APPOINTMENT FOR CLIENTS

1. Navigate to schedule appointment page.

2. View overall appointments calendar.

3. Click add button to schedule an appointment.

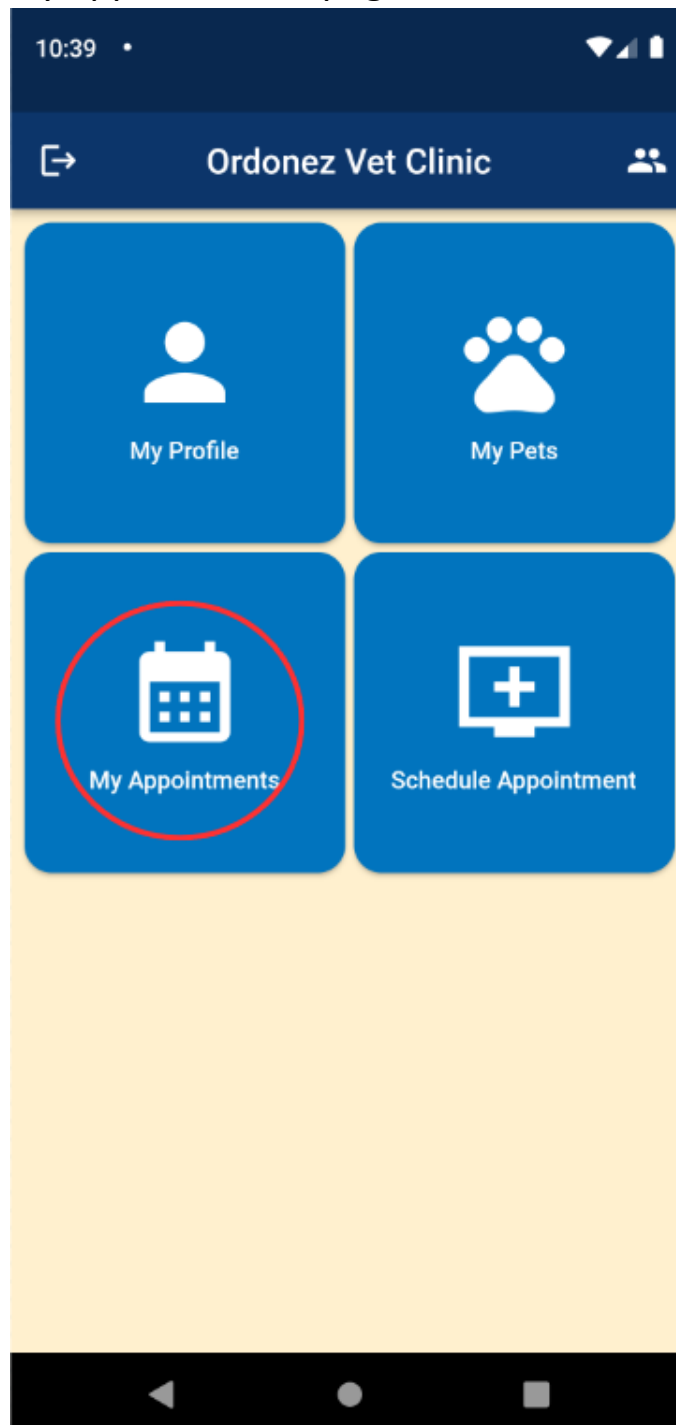

4. Input details and schedule appointment.

The screenshot shows a mobile application interface. At the top, the status bar displays '11:00' and signal icons. Below it is a dark blue header with a back arrow, the title 'Schedule', and a help icon. The main content area shows a calendar for 'December 2023'. A yellow dialog box with a blue information icon is overlaid on the calendar. The dialog is titled 'Request Appointment' and contains two input fields: 'Select a Pet' with the value 'Yuki' and a paw print icon, and 'Check-in Date' with the value 'December 18, 2023' and a calendar icon. At the bottom of the dialog are two buttons: 'Cancel' (red) and 'Ok' (green). Below the dialog, the text 'No selected date' is visible. A floating action button with a plus sign is at the bottom right of the calendar area.

VIEW, CANCEL APPOINTMENT FOR CLIENTS

1. Navigate to my appointments page.

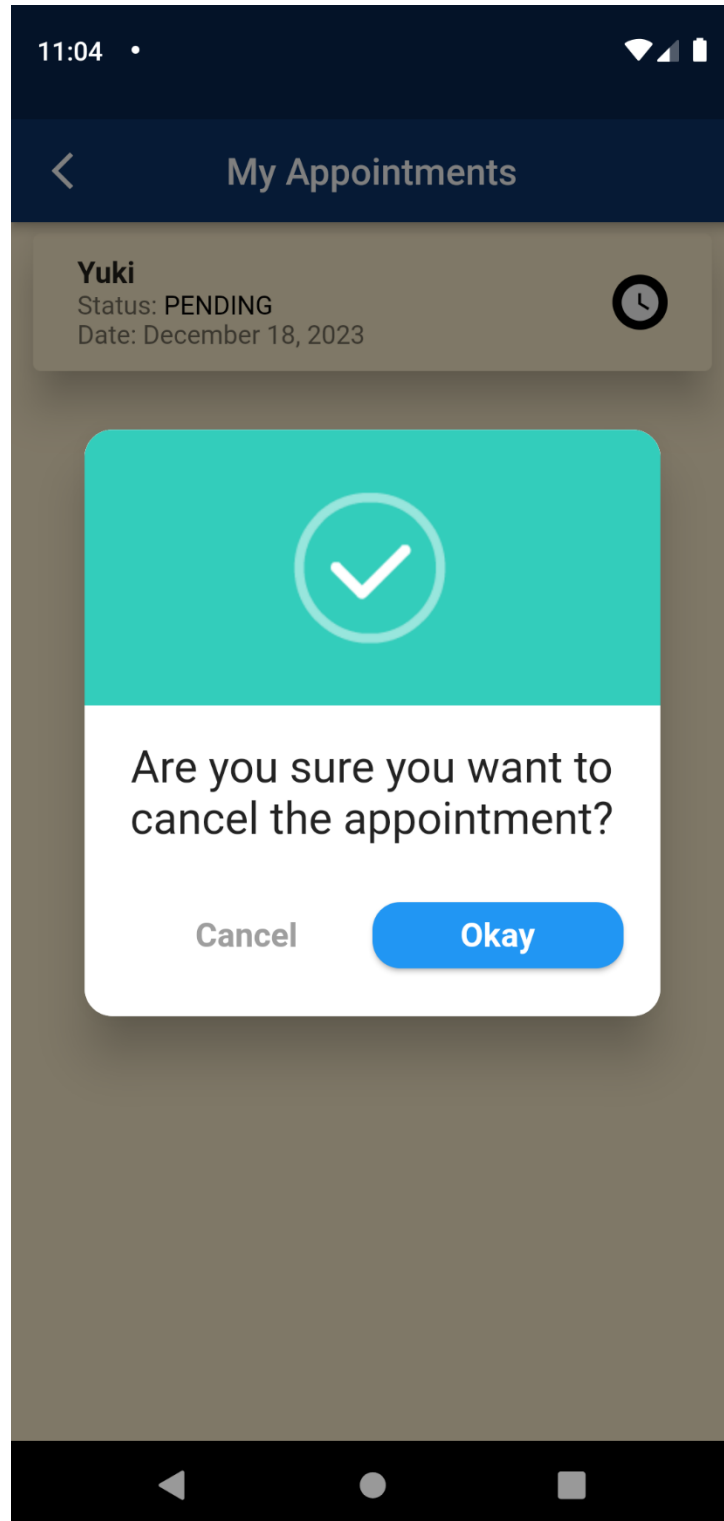

2. Viewing of all appointments.

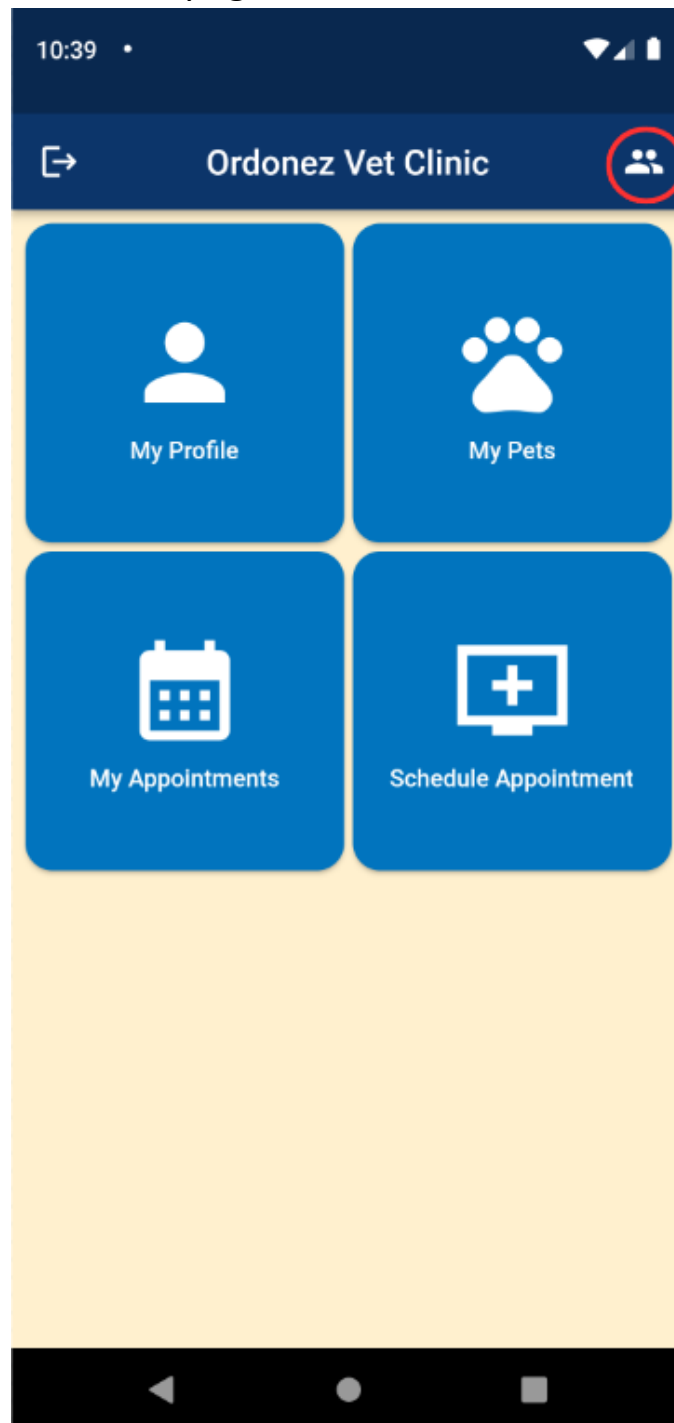

3. Press and Hold appointment to cancel appointment.

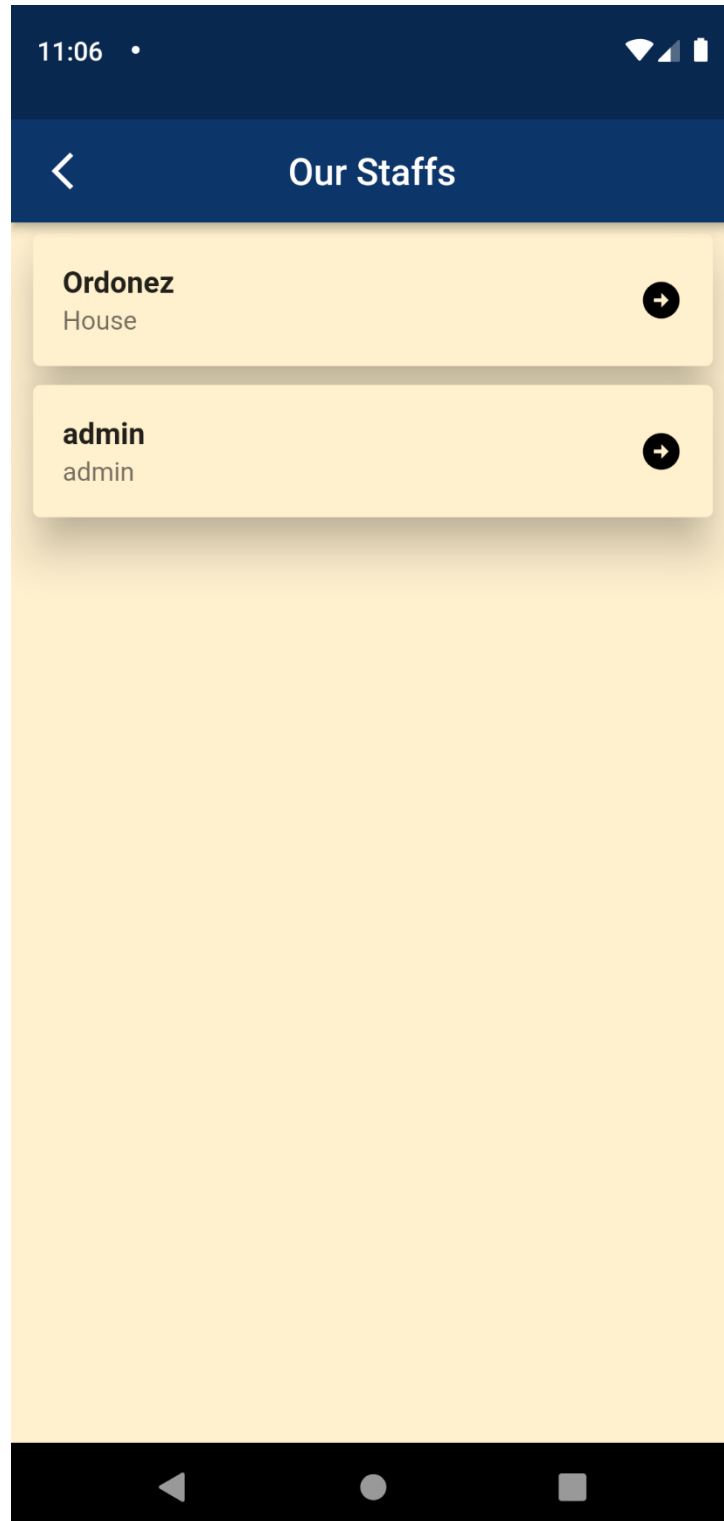

VIEW ORDONEZ VET STAFF

1. Navigate to our staff page

2. Click a staff to view details.

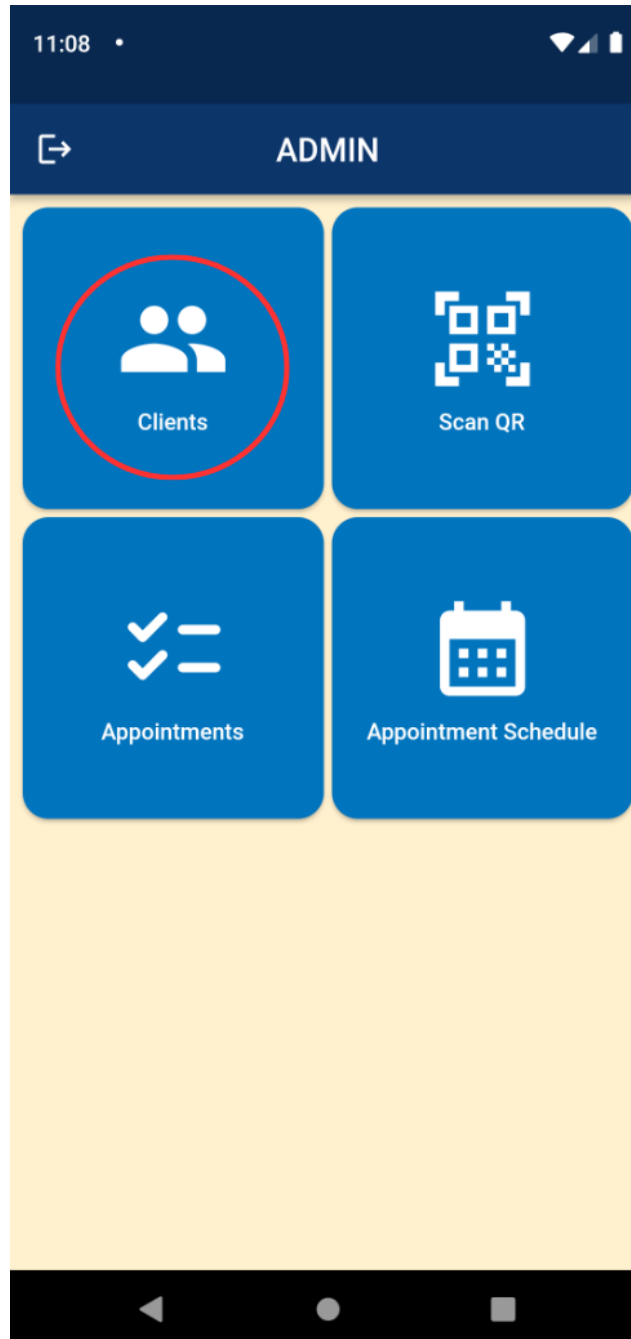

3. Viewing of staff details.

VIEWING OF CLIENTS AND PETS FOR ADMIN

1. Navigate to Clients page

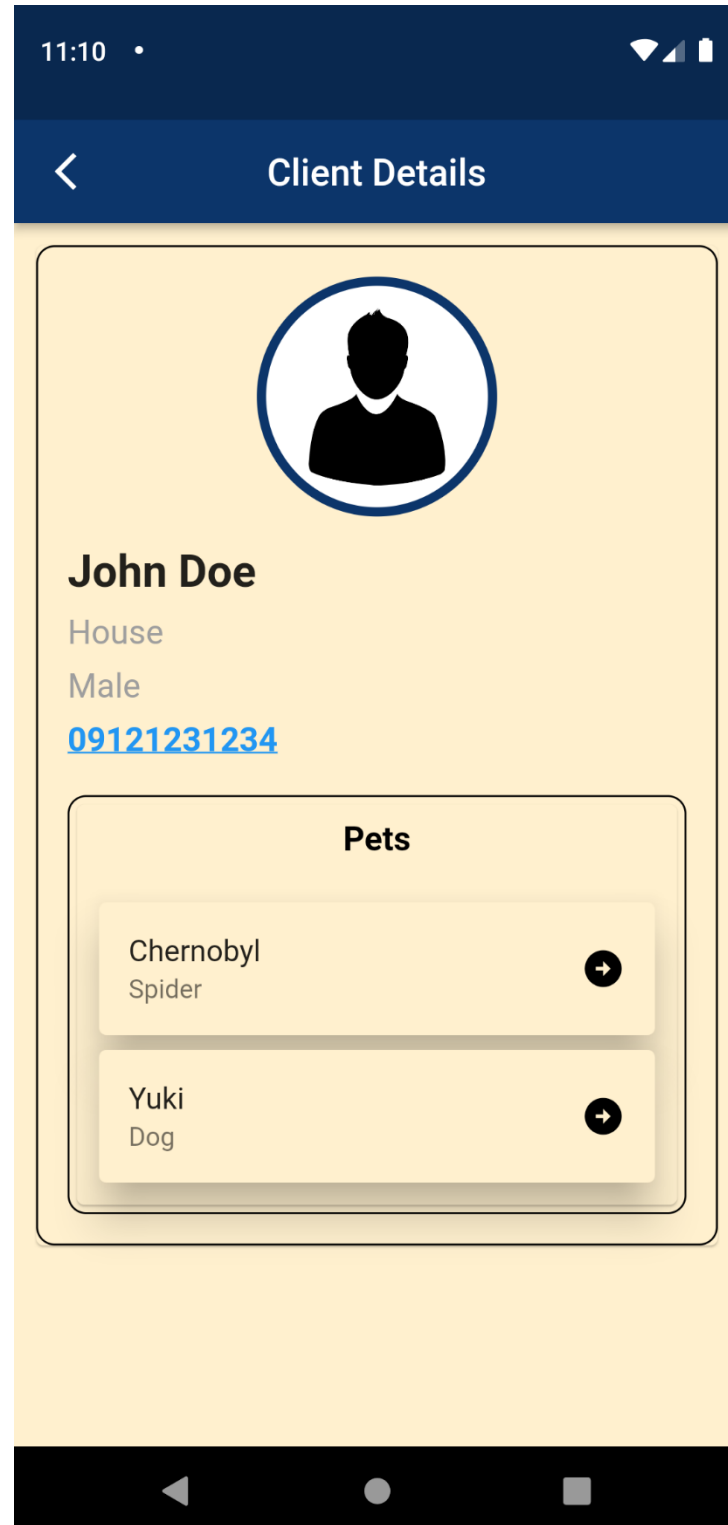

2. Viewing of all registered clients.

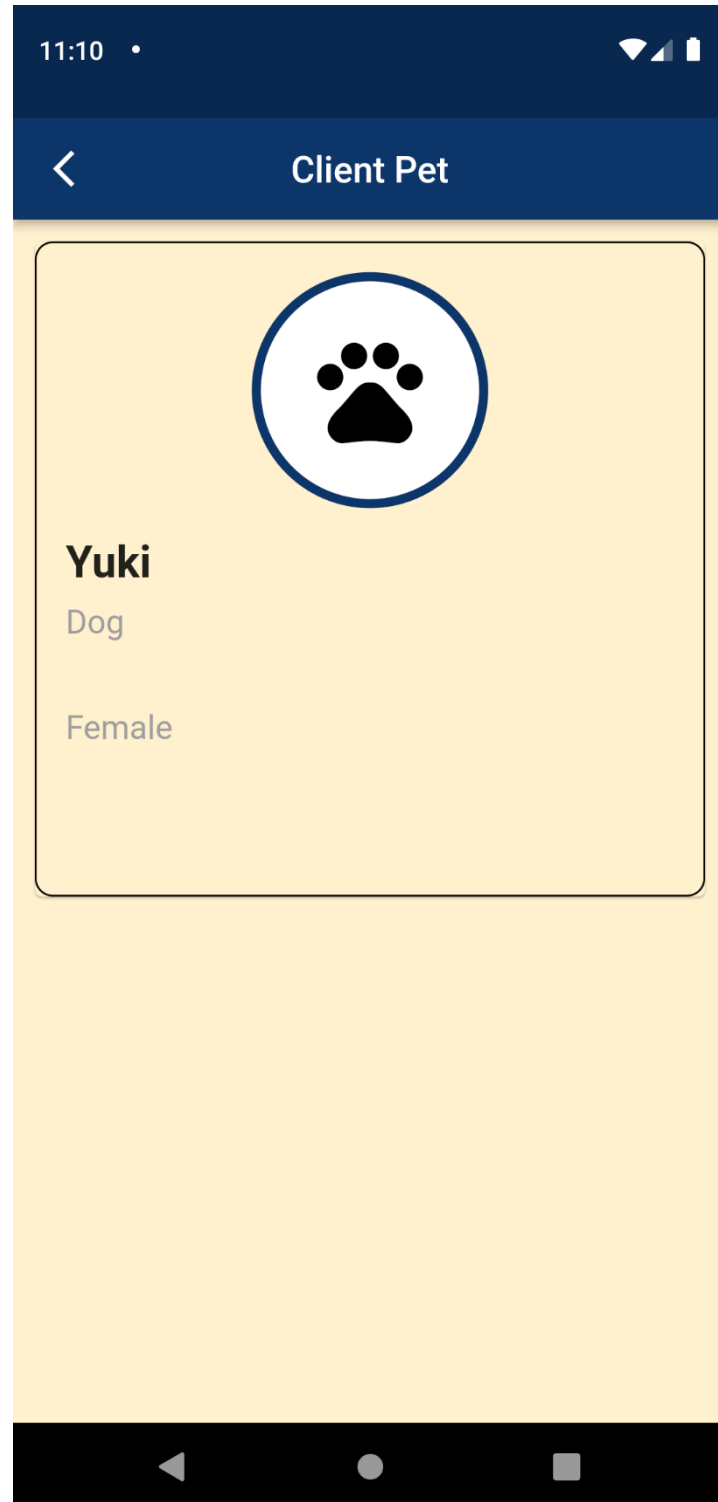

3. Click a client to view details.

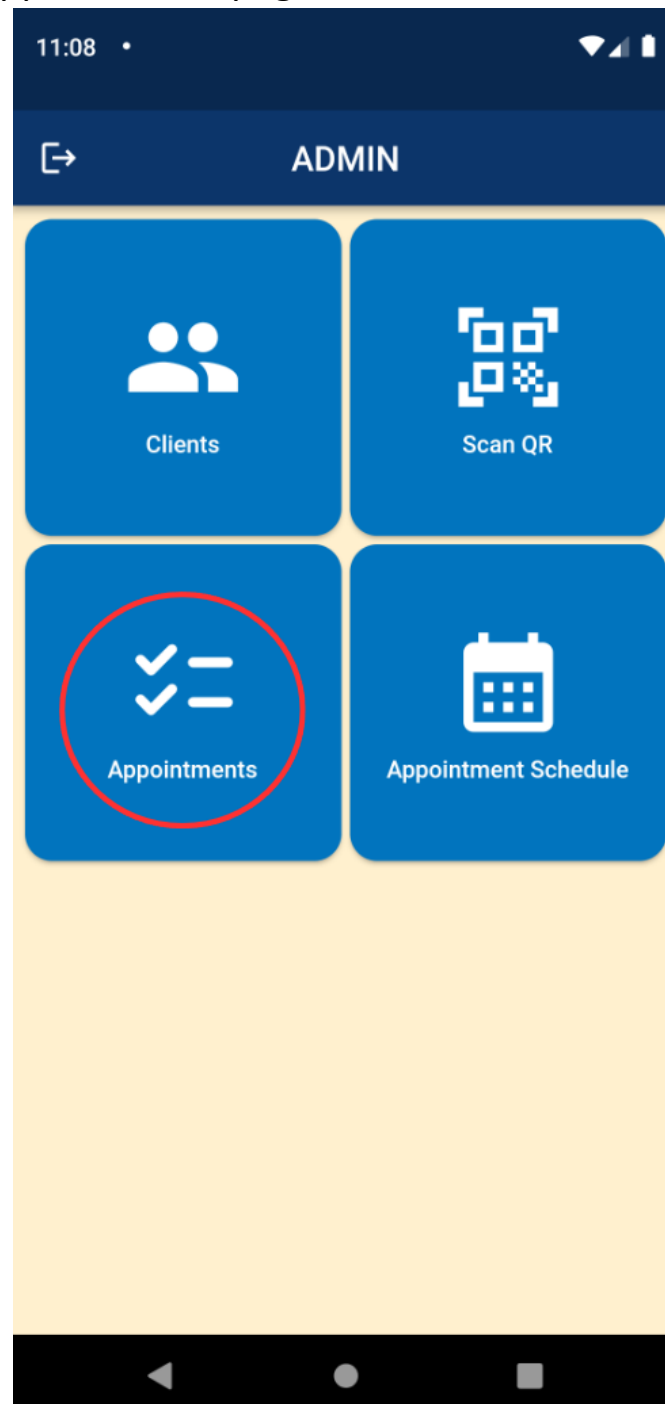

4. Click a client's pet to view details.

VIEW APPOINTMENTS FOR ADMIN

1. Navigate to appointments page.

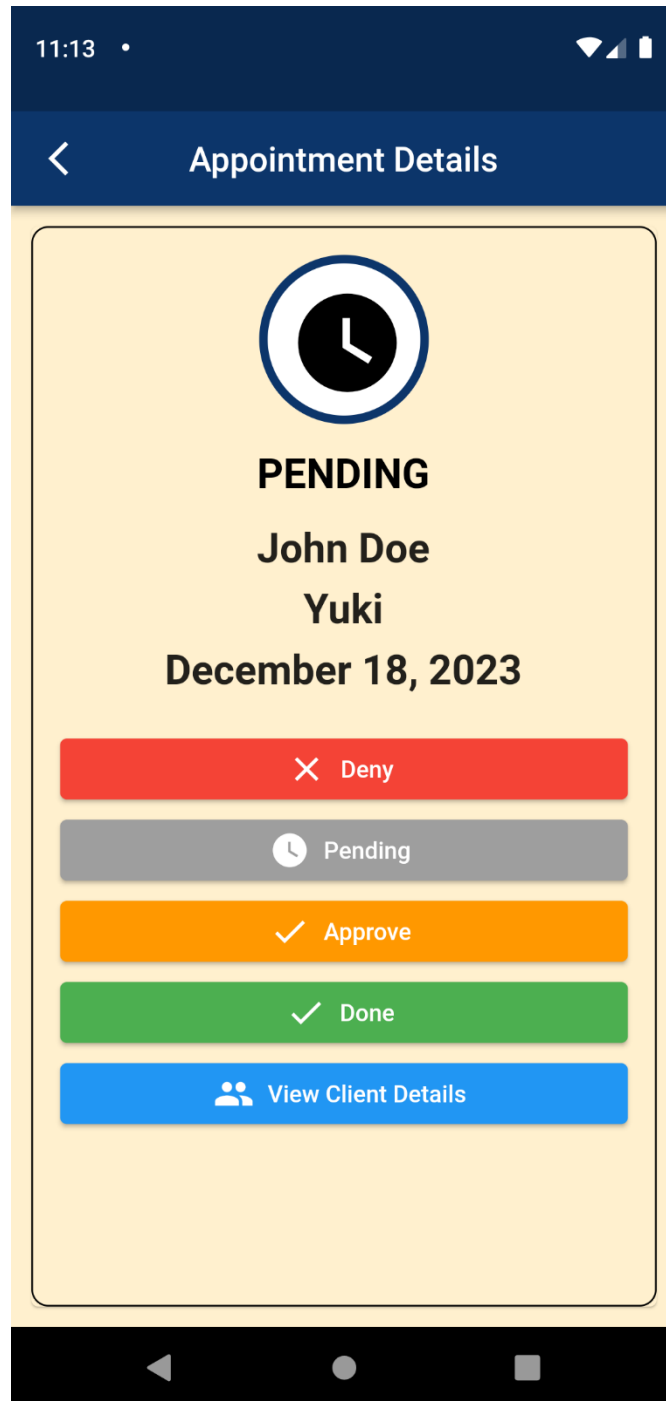

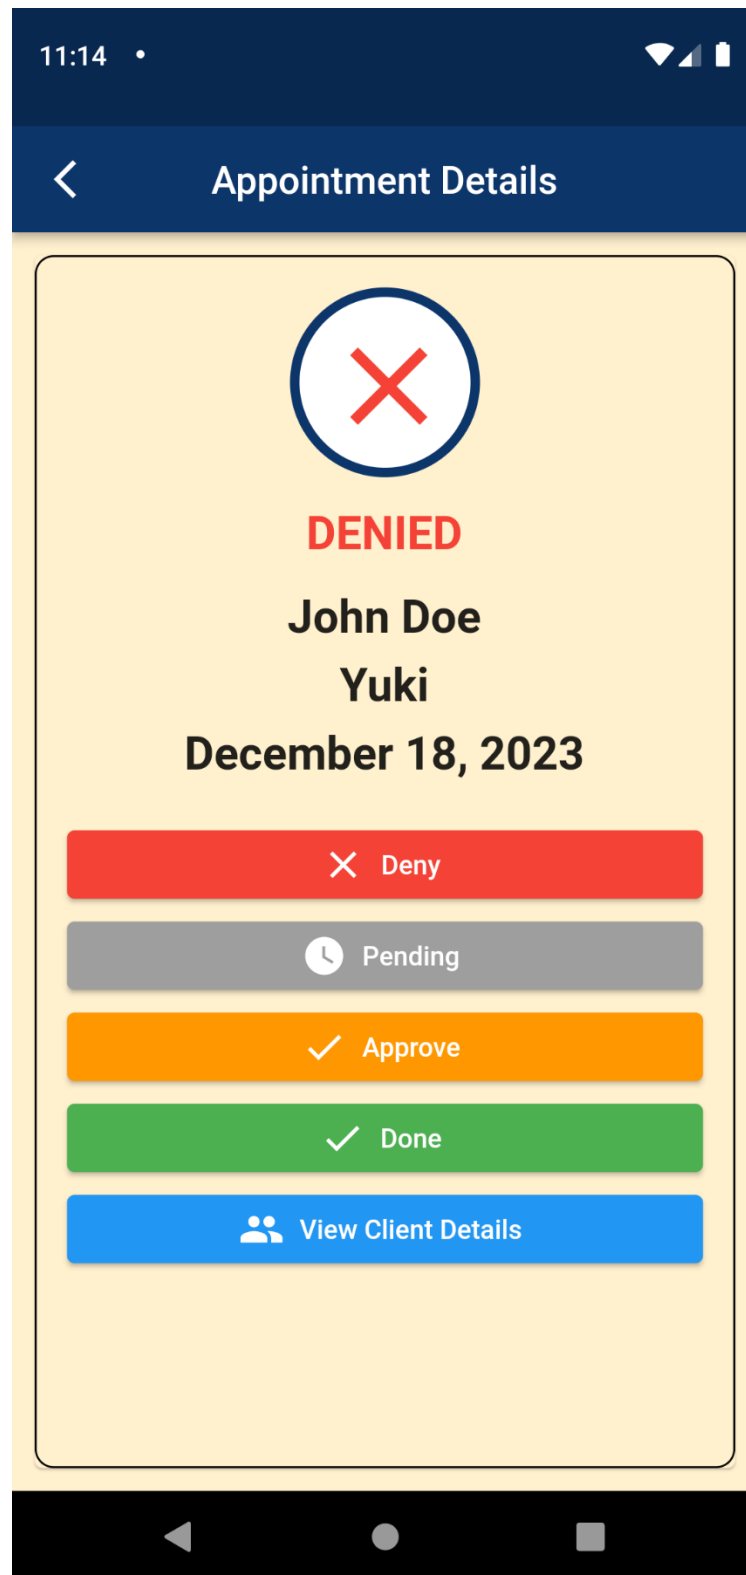

2. Viewing of all appointments.

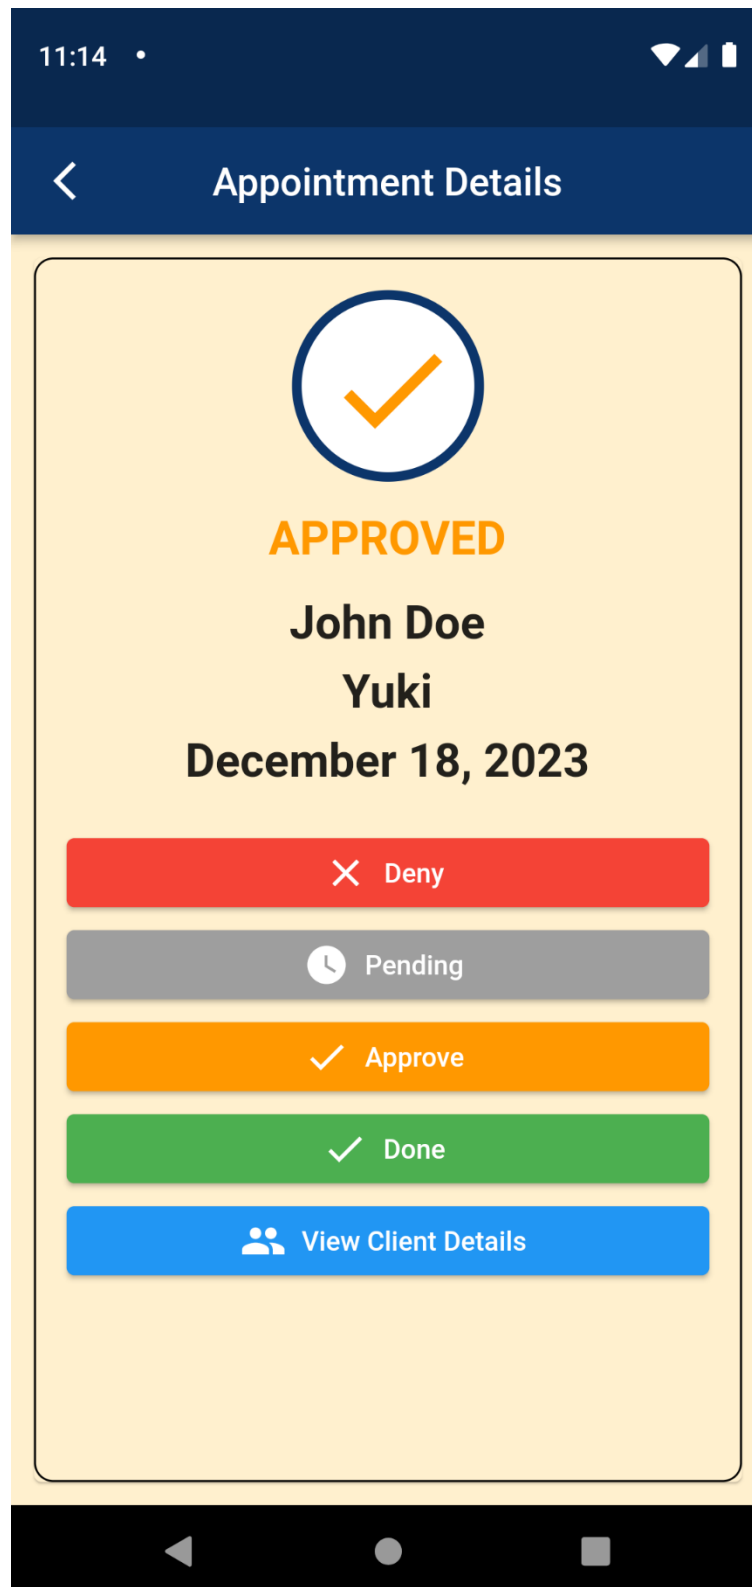

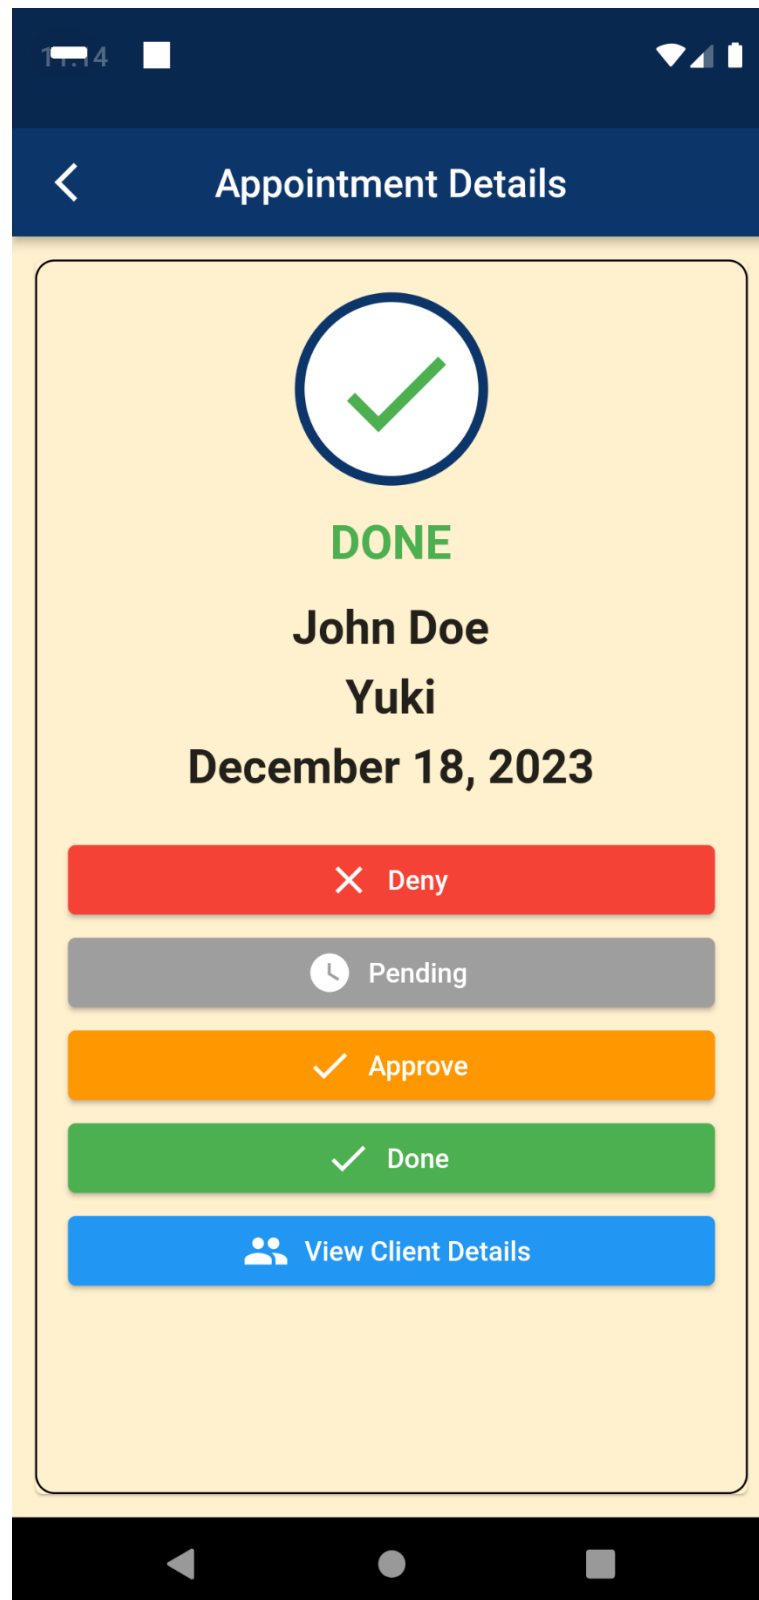

3. Click an appointment to view details and decide to deny, pending, approve, and done.

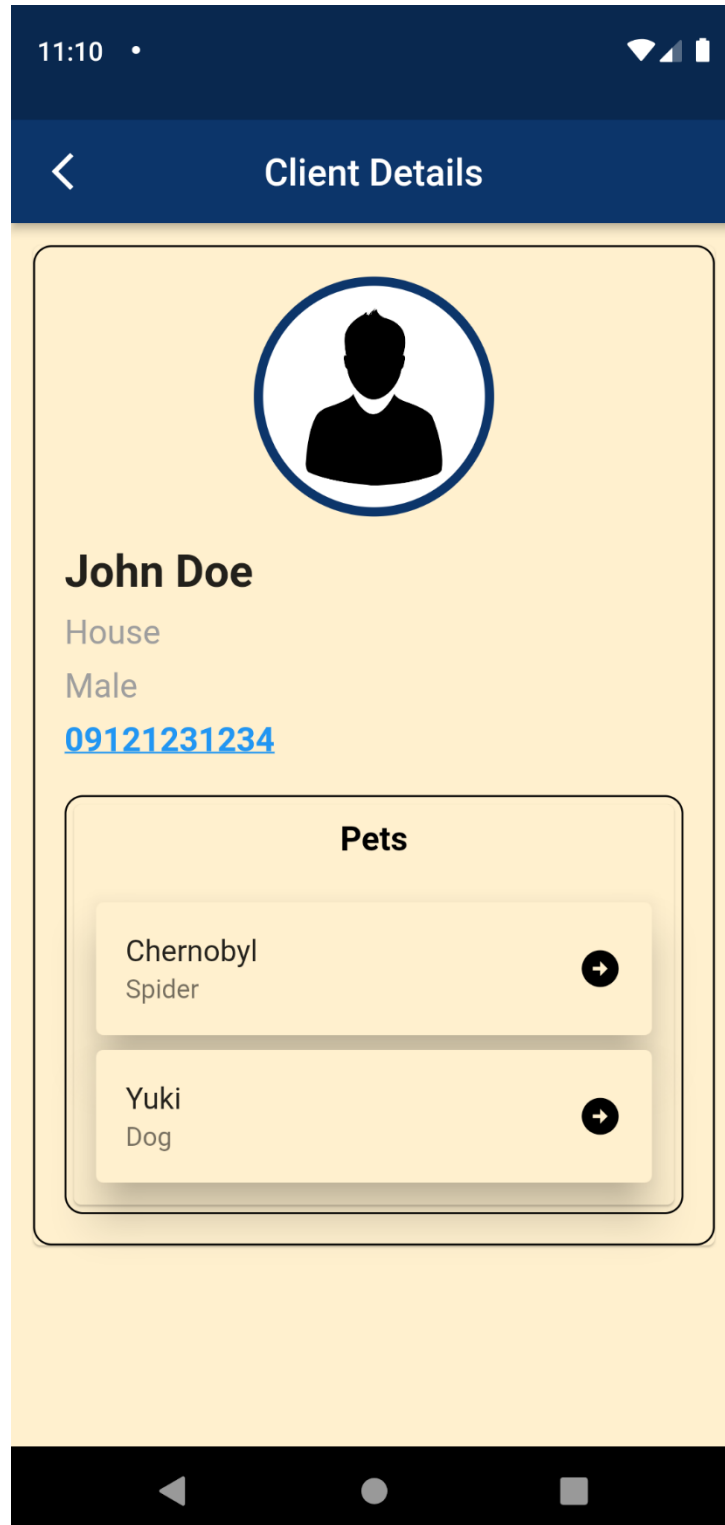

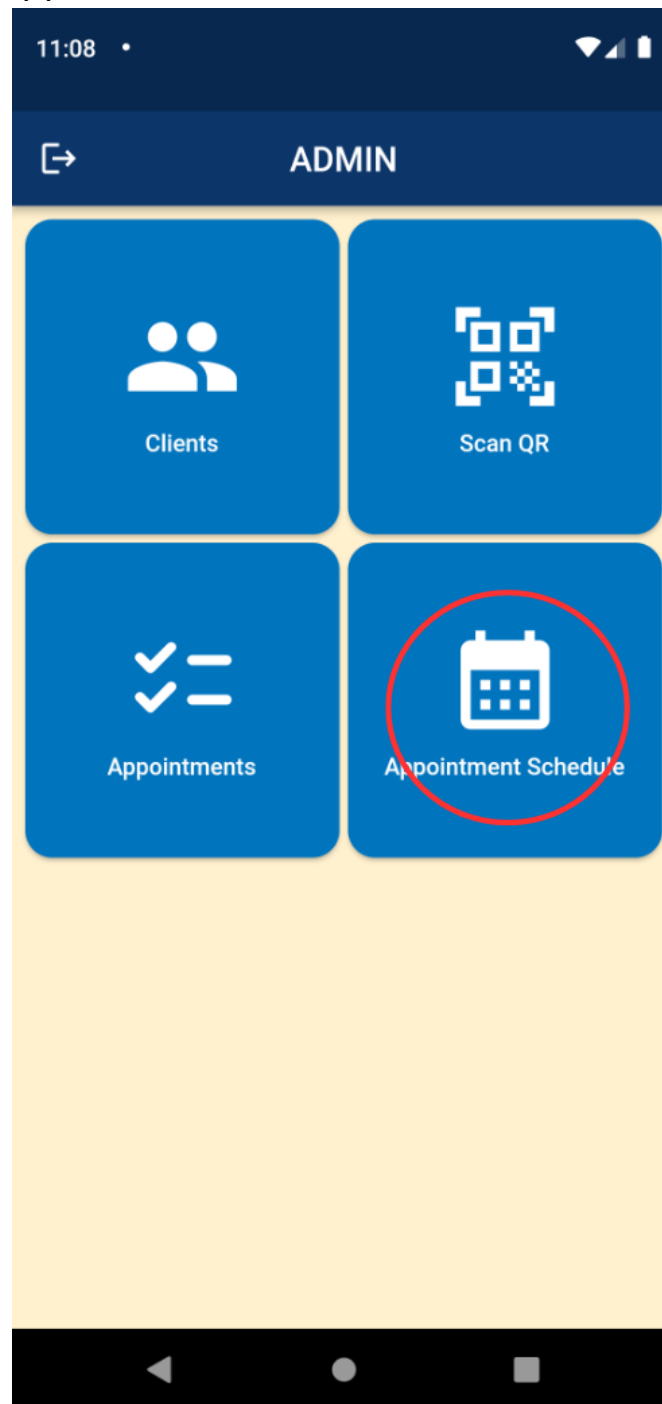

4. Click view client details to navigate to client details page.

VIEW AND BLOCK DATES FOR ADMIN

1. Navigate to appointments Schedule.

2. Viewing of all approved appointments and blocked dates.

3. Press add button to add blocked dates.

4. Input dates to block.

The screenshot shows a mobile application interface for scheduling. At the top, the status bar displays the time 11:20 and signal/battery icons. The app's header is dark blue with a back arrow, the title "Calendar Schedule", and a close icon. Below the header, a calendar for December 2023 is visible, showing days from 26 to 31. A modal dialog titled "Block Dates" is centered on the screen. It has a blue information icon at the top. The modal contains two input fields: "Check-in Date" with the value "December 30, 2023" and a calendar icon, and "Check-out Date" with the value "December 31, 2023" and a calendar icon. Below these fields is a blue button labeled "Add Appointment Date Range". At the bottom of the modal are two buttons: a red "Cancel" button and a green "Ok" button. The background calendar shows some dates are already blocked, indicated by blue bars with the text "BLOC". At the bottom of the screen, there is a dark blue bar with a white plus icon in a circle.

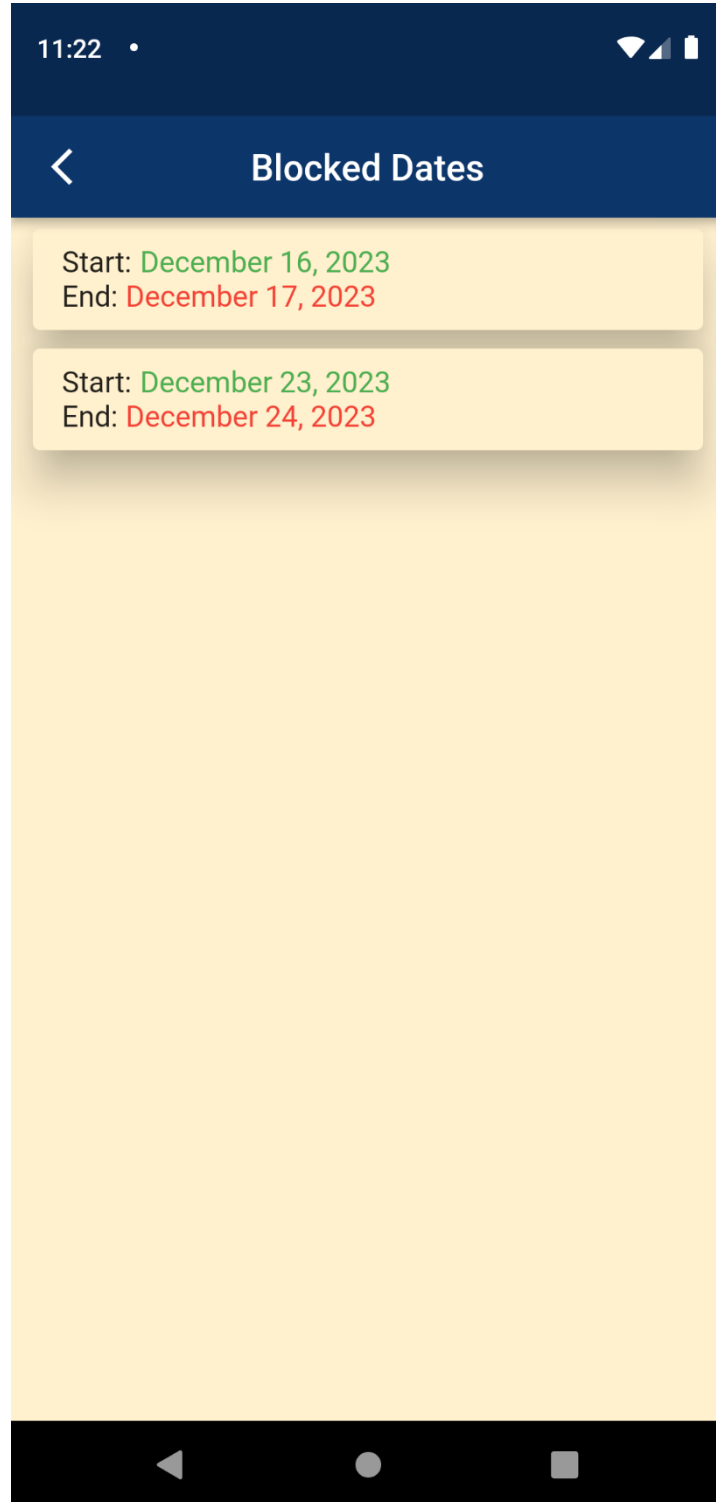

5. View all blocked dates.

6. Viewing of all blocked dates.

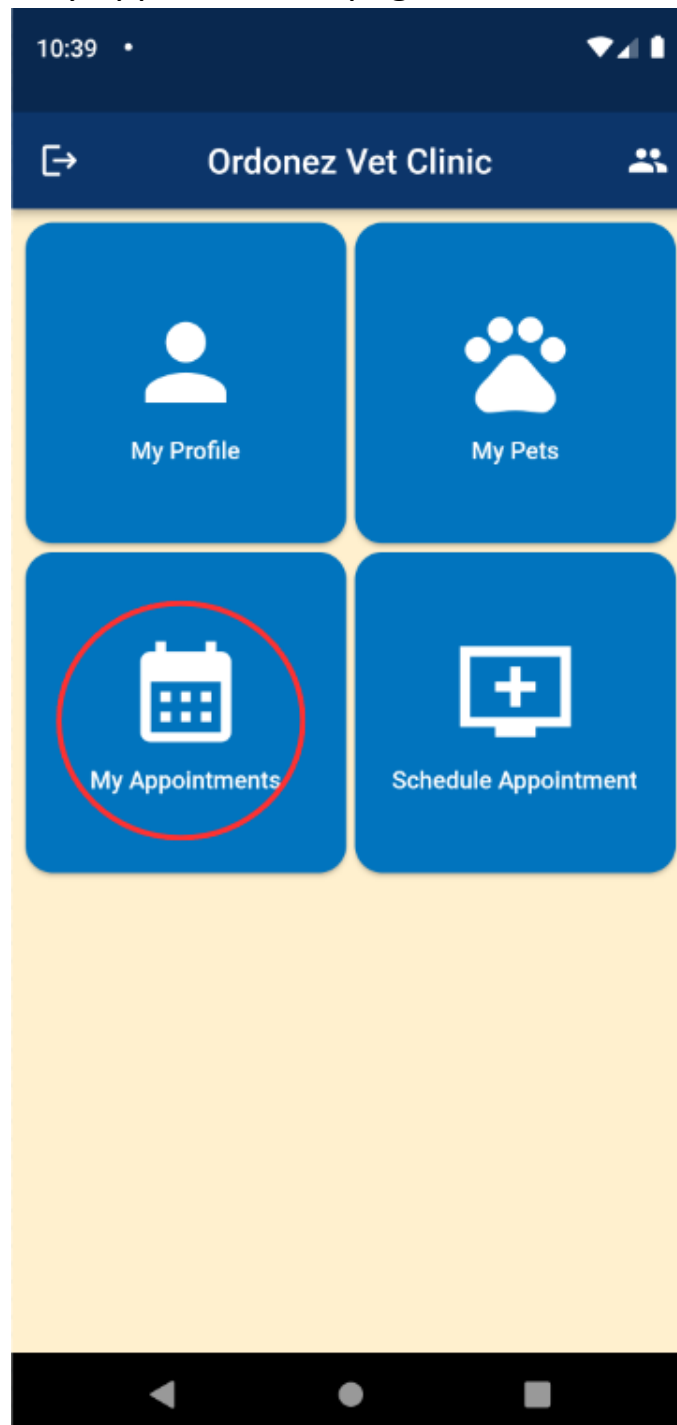

7. Press and hold blocked dates to delete.

USE QR CODE FOR CLIENT

1. Navigate to my appointments page.

2. Click QR icon.

3. Viewing of Appointment QR Code.

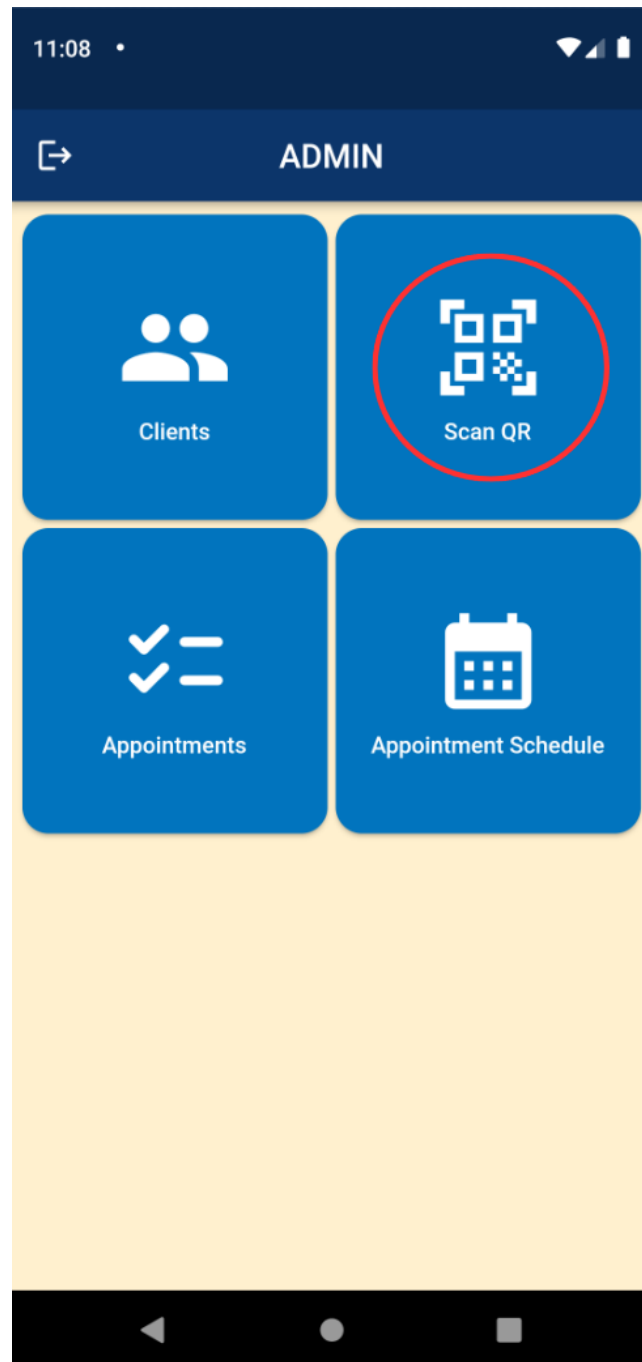

4. Appointment will be marked as done after scanning of QR code.

SCANNING OF QR CODE FOR ADMIN

1. Navigate to Scan QR popup.

2. Scan client's appointment QR code.
